What in The World Are We Doing?

September 13th - November 22nd

It can be tempting to think of church as our retreat from the world, but God has called us to engagement – not escape! In this series we will be examining how God has uniquely called and equipped his church to bring his love into the world.

This is the first of two sermon-based series that we'll be doing this year. We'll begin on September 13th by meeting in the Friendship room for an introduction to the series. Each of the following weeks, we will divide into smaller study groups to consider the sermon passage for the week.

On Location

November 29th – December 20th

How can we reflect the light of Christ into the places where we live and work? In this DVD series, Andy Stanley, the Senior Pastor of North Point Ministries, considers the influence that faithful Christians can have on our culture.

Jonah: The Reluctant Evangelist

February 7th - March 25th

Does the prospect of sharing your faith make you want to run away? It won't help. When it comes to evangelism, God won't take "no" for an answer! In this series, we consider what Jonah's experience tells us about God's plan to build his Kingdom.

This is the second of two sermon-based series that we'll be doing this year. We'll begin on February 7th by meeting in the Friendship room for an introduction to the series. Each of the following weeks, we will divide into smaller study groups to consider the sermon passage for the week.
